FREQUENTLY ASKED QUESTIONS

CAN I RESERVE PARKING FOR MY GUESTS?

Group parking reservations are not available

In the summer limited individual parking reservations are available online up to three days in advance. Each guest may make (1) parking reservation.

Parking reservations are held until 11 am.

Park & Pay

The majority of parking in the lot is available on a first-come, first-served basis. Guests without parking reservations may purchase parking by the hour or for the day by noting their space number and paying at the machine upon arrival.

Parking Tips

The Beach House parking lot is busiest on weekends and Half Price Mondays, often filling to capacity. The lot is typically less busy Tuesday through Friday. 5-minute loading spaces by Guest Services are available to make loading / unloading easier.

If the lot is full

Alternative beach lots include Lots 8 & 9 to the South and Will Rogers State Beach to the North. The bike path connects these lots to the Beach House on the ocean side.

CAN I HAVE MY PARTY AT THE POOL?

Because of the pool's popularity and limited capacity, planning a party at the pool is not ideal. We strongly encourage parties to utilize other site features.

Pool Reservations

Limited reservations are available online one to three days in advance for up to (6) guests. **Pool reservations are held until 11 am.** After 11 am, if a waitlist has begun, guests checking in with reservations will be added to the waitlist.

Walk-up Pool Passes

Passes go on sale daily at 9am. **Pool passes may only be purchased for guests who are present at Guest Services.** Passes generally sell out quickly on weekends and Mondays. A waitlist will be started when capacity is reached.
